If you are eligible to enter a WSVRHA Amateur division you may also enter all (6) AQHA classes for a reduced fee.

WSVRHA Open Division:

This division is open to any horse, any breed, and any rider. No qualifications required. Amateurs are welcome to enter this division if they have not qualified in an Amateur division.

AQHA:

Horses participating in these classes must be registered AQHA and riders must be eligible for the divisions they enter per AQHA rules. If you wish to enter AQHA ONLY, select from the AQHA ONLY choices. You may also enter individual AQHA Classes by indicating your choices. AQHA entries must include a copy of horse's AQHA registration papers and copy of AQHA membership card. An entry in both WSVRHA and AQHA will be run concurrent with only one cattle fee.

Jackpot and Awards:

All WSVRHA Open riders are entered into the Open jackpot. All Amateur riders may enter the open jackpot and compete for the jackpot and saddle by paying the \$25.00 Jackpot fee; your amateur run will be tallied in your Amateur division as well as the Open division. Amateurs that enter the Open Division Jackpot will be eligible for the Open Saddle. Advanced, Limited and Intermediate Amateurs riders may also enter their designated division jackpots. We must have W-9 on file prior to distributing jackpot monies.

Paid Practices:

There will be practice opportunities on Friday. See the separate enclosed "Practice Entry" registration form. You must Pre-Register and Pre-Pay for Cutting Practice so that we have a head count for cattle. Practice entries are also due in the office by October 11th. Draws will be determined by the order in which the PAID Practice Entry forms are received. (NO REFUNDS)

Friday Night Fun Night: (Enter on the Practice Entry Form)

Come join us at the welcoming party and then saddle up for the Ranch Challenge open to all levels. This is a fun event with several challenging obstacles. You may pick the easier one for less points or the harder one for a chance at more points. Each obstacle will be judged and the entire course will be timed. In the event of a tie, the fastest time will win.

But wait there's more! Although you will be competing individually for prizes and a split of the entry money, you will also have a partner that we will draw for you. Open, Advanced and Limited will be drawn with Intermediate, Novice and Youth, and Walk/Trot. This team will be auctioned off (Calcutta style) and whatever team has the high combined score takes all the cash! So make sure you bid on your team.
